

## SOCIETY WINTER WARMERS

We at Blackmoor Golf Club appreciate that organising a Society day is not always easy, finding a suitable course at a competitive price can be challenging. We can assist:

Blackmoor Golf Course is one of Hampshire's premier courses situated deep in the Hampshire countryside yet easily accessible from both London and the Home Counties.

The 6164 yard course was a regional qualifying course for the Open Championship from 1998-2003 and features heather-lined fairways and classic shape greens – it's truly a delight to play.

There is a minimum requirement of twelve players to form a Society and qualify for the Winter Warmer package. We look forward to welcoming you to Blackmoor.
